ABOUT US

Based in Denmark, FlexWork | Recruitment & Crewing is dedicated to supplying qualified personnel to industries such as the Maritime and , Offshore & Renewable Energy.

VISION

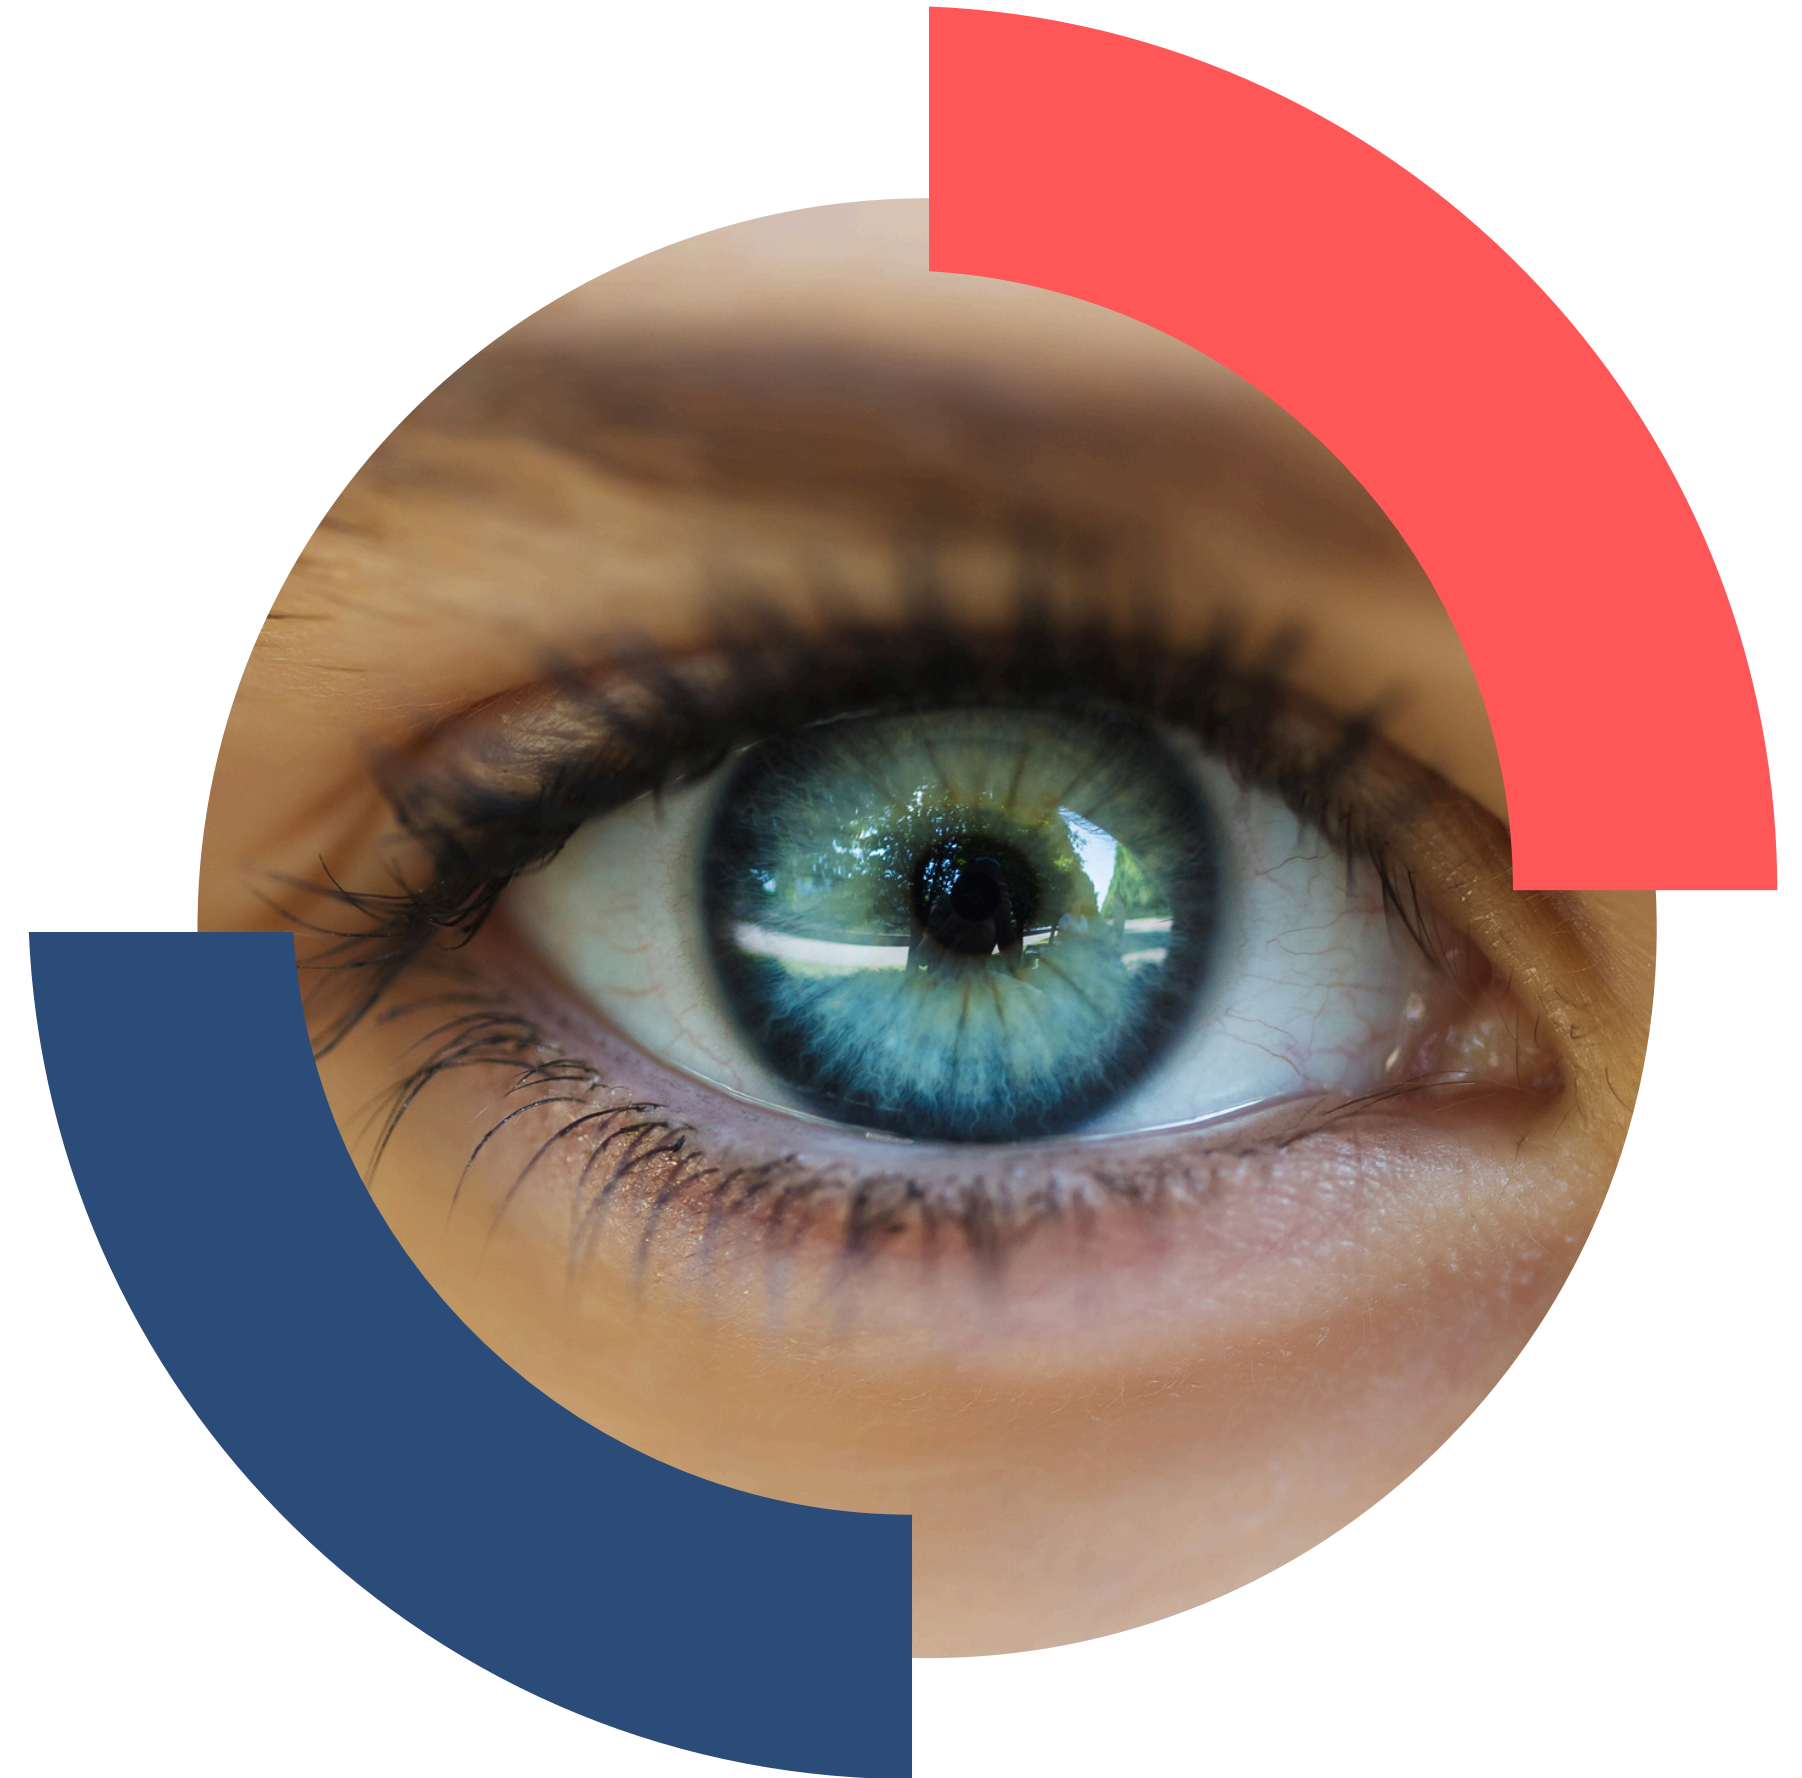

To be a serious recruitment and crewing partner to the Maritime and Offshore & Renewable Energy, and ensure that everyone involved experiences a good and efficient recruitment.

MISSION

To be a competitive recruitment company and contribute to meeting our customer's objectives by being a trustworthy and efficient recruitment partner, a good employer and a good matchmaker.

Goal

To contribute to a good and mutually value-creating match between companies and candidates.

VORE VALUES

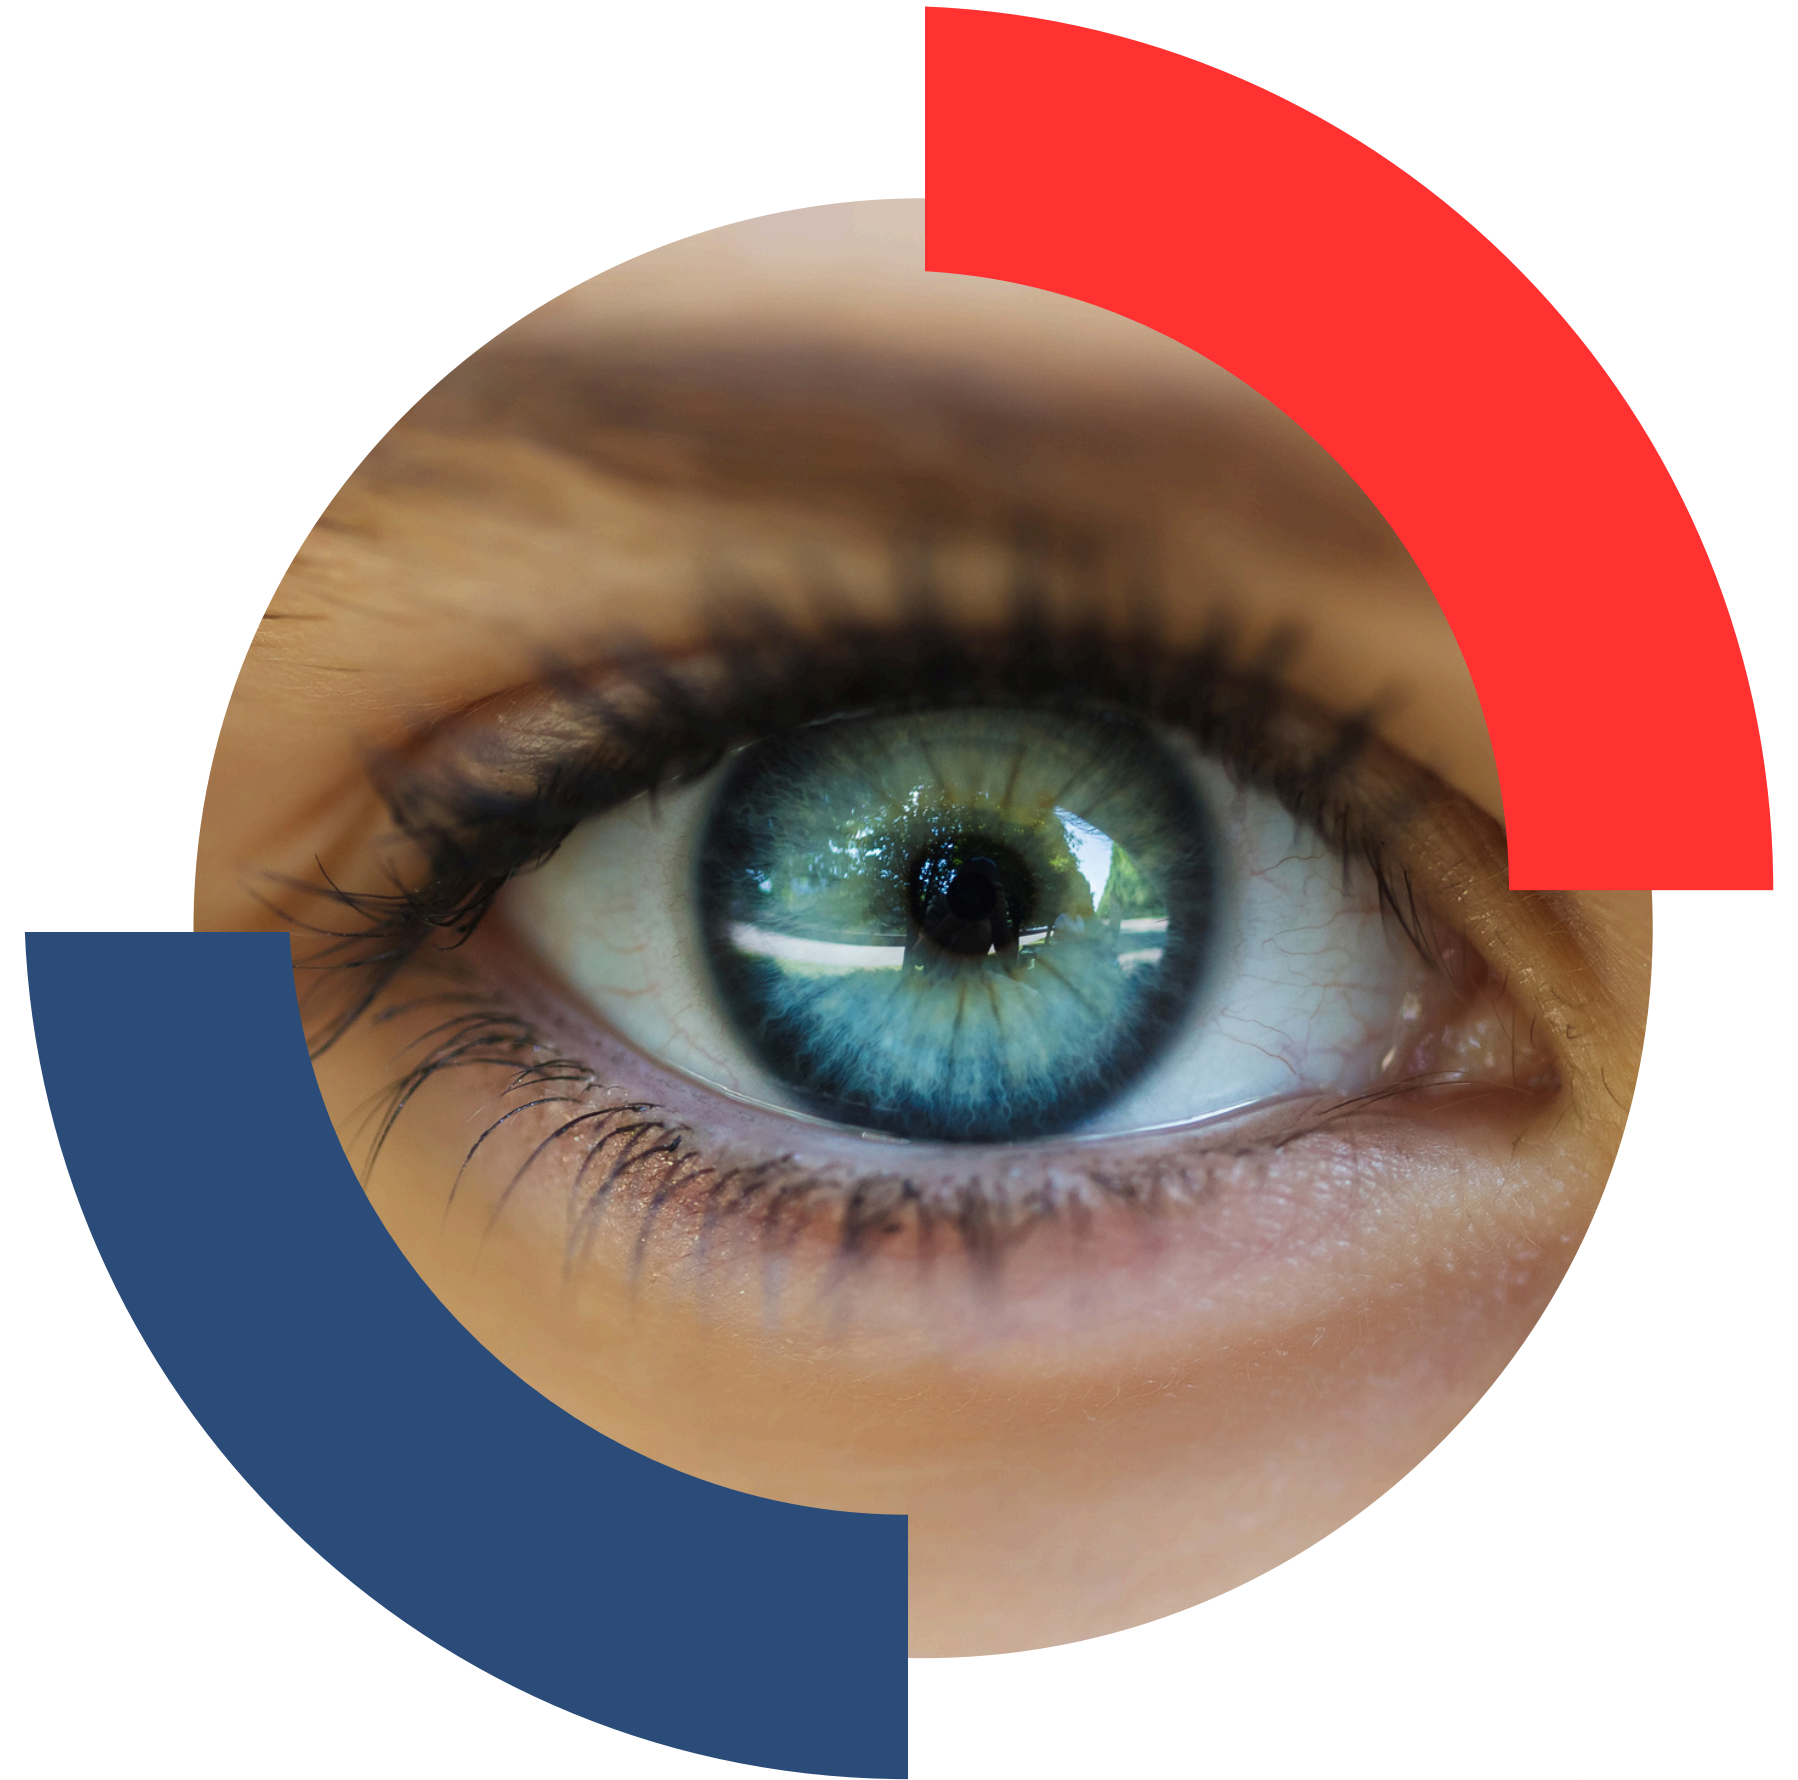

Hardworking & Credibility

Acting with integrity, fairness, and authenticity.

Ensuring that we live up to our promises and deliver good quality in everything we do.

Valuing diversity, other cultures, and different ways of thinking and acting as assets for companies, society, and individuals.

Supporting the future of the next generation in the labor market.
